City Manager's Approval

To: Mayor and City Council Members
From: Mark D'Ambrogio, Fire Chief *[Signature]*
Date: November 25, 2013
Subject: Authorization for the Fire Chief to submit a grant application to the Sierra Nevada Conservancy Proposition 84 Grants Program.

The Issue

Shall the City Council authorize the Fire Chief to submit a grant application to the Sierra Nevada Conservancy Proposition 84 Grants Program?

Conclusion and Recommendation

Staff recommends that City Council, by Resolution, authorize the Fire Chief to submit a grant application to the Sierra Nevada Conservancy Proposition 84 Grants Program.

Background

The Sierra Nevada Conservancy (SNC) has announced a round of Proposition 84 funding to be distributed through a grant application program for various acquisitions, improvement/restorations, and land projects. A pre-application process was conducted of which the Sierra Nevada Conservancy has authorized the fire department to submit a full application package for funding consideration. The application period is now open and all applications are now due. As part of the application process, a resolution from the submitting governing body must be provided and included in the application package. A grant application will be submitted to the Sierra Nevada Conservancy (SNC) for the American River Canyon Shaded Fuel Break. Such funding will be applied to the U. S. Bureau of Reclamation lands adjacent to the City of Auburn to enhance fire protection and support

the work that many of the citizen groups have embarked upon. This is the second submittal by the City of Auburn Fire Department to fund the Amercian River Canyon Shaded Fuel Break.

Alternatives Available to Council; Implications of Alternatives

1. Authorize, by Resolution, the Fire Chief to proceed with the application process for Proposition 84 funding;
2. Take no action; an application will not be submitted without authorization from the governing body.

Fiscal Impact

There is no fiscal impact associated with this process of submitting a resolution giving authority to submit an application for consideration.
